

**MARYLAND SEA GRANT COLLEGE**

Christopher D'Elia, Ph.D., *Director*

H. J. Patterson Hall  
College Park, MD 20742 454-5690

In 1977, the University of Maryland was selected as the site of a sea grant program by the National Oceanic and Atmospheric Administration. In recognition of the program's accomplishments in estuarine research and public education, the Administration designated the program a national sea grant college in 1982.

The Maryland Sea Grant College focuses its research and education efforts on the Chesapeake Bay with particular emphasis on important commercial fisheries. Located at the University of Maryland College Park, the College sponsors projects throughout the University System as well as at other agencies and educational institutions.

The University of Maryland Medical System Corporation was established in 1984 as a private, nonprofit corporation (Chapter 288, Acts of 1984). The Corporation is responsible for patient care, medical education, community health services, and emergency medical treatment provided by the medical systems of the University of Maryland.

The Corporation is governed by a Board of Directors. The Board consists of twenty-eight members. Seven are nonvoting, ex officio members.
