

system. The Commission appoints two of its members and two alternates to the Authority's Board of Directors. The Authority is the interstate agency charged with the overall responsibility of planning, financing, and operating the regional rapid rail and bus transit systems for the Washington metropolitan area.

The Commission consists of seven members. Three are appointed by the Montgomery County Executive, and three by the Prince George's County Executive. The Secretary of Transportation (or designee) serves ex officio. Commissioners who are appointed from among the members of the elected governing bodies serve at the pleasure of the County Executive, while others serve three-year terms. The position of chairperson alternates annually between Montgomery and Prince George's counties.

The Workers' Compensation Commission originated in 1914 as the State Industrial Accident Commission (Chapter 800, Acts of 1914). In 1957, it was renamed the Workmen's Compensation Commission (Chapter 584, Acts of 1957), and its present name was adopted January 1, 1986.

The Commission administers the Workers' Compensation Law. The Commission hears contested cases and holds hearings throughout the State, receives reports of accidents, and adjudicates claims for compensation arising under the law (Code 1957, Art. 101, secs. 1, 2, 5, 16, 38-40).

The Commission publishes the *Annual Report of the Workers' Compensation Commission*, and *Brochure of Questions and Answers about Maryland's Workers' Compensation Law*, both available free upon request. The Commission also issues *Workers' Compensation Law of Maryland (annotated)*, for which there is a charge.

The Commission consists of ten members appointed to twelve-year terms by the Governor with Senate advice and consent. The Governor designates the chairperson.
