The Commission was created in 1966 as the Maryland Educational-Cultural Television Commission (Chapter 202, Acts of 1966). In 1967, it was reestablished as the Maryland Educational-Cultural Broadcasting Commission (Chapter 645, Acts of 1967). The Commission was renamed the Maryland Public Broadcasting Commission in 1969 (Chapter 405, Acts of 1969).

The Commission develops, operates, and maintains a system for educational and cultural television and radio programming throughout Maryland. The Commission is responsible for programs for the general public. The State Board of Education is responsible for programs used in public schools (Code Education Article, sec. 24-205).

The Commission consists of eleven members appointed for five-year terms by the Governor. Two members are designated by the State Board of Education. One member is the State Superintendent of Schools. Members are chosen for their interest in public education, libraries, art, music, drama, higher education, the television and radio industries, or other fields considered by the Governor to be significant for Commission membership. The Governor designates the chairperson and vice-chairperson (Code Education Article, secs. 24-201 through 24-206).
