

The Authority, working in close cooperation with the Greater Baltimore Committee, is continuing its efforts to secure a National Football League expansion franchise for Baltimore.

Subject to approval by the Board of Public Works, the Authority may hold an ownership interest in and operate a professional football or major league professional baseball team or team franchise, on a temporary basis, during a transition of the team or team franchise to private ownership.

The Authority is a public corporation of Maryland and may issue tax-exempt bonds for financing its operations. Proceeds from the sale of Authority bonds and revenues collected or received from any other source, including a tax on gate receipts at the facility, are deposited in the Maryland Stadium Authority Financing Fund. The Fund is a revolving fund for carrying out the purposes of the Authority.

The Authority consists of five members appointed to four-year terms by the Governor with Senate advice and consent. The Governor designates the chairperson. With the approval of the Governor, the Authority appoints the Executive Director, who serves at its pleasure (Code Financial Institutions Article, secs. 13-701 through 13-722).
