

General Services to the Maryland Veterans Commission (Chapter 269, Acts of 1982).

The Washington Cemetery Board of Trustees oversees the maintenance of Washington Cemetery, Hagerstown, where the Confederate dead of the battles of Antietam and South Mountain are buried. At the Cemetery, 2,468 bodies are interred. Of this number, 346 have been identified.

The Board of Trustees was chartered in 1870 (Chapter 213, Acts of 1870). Originally the Board was composed of five members: three from Maryland and one representative each from Virginia and West Virginia. Virginia and West Virginia initially contributed to the cost for funding and maintaining the Cemetery and so were given a place on the Board. In the last several years, however, neither Virginia nor West Virginia has appointed a representative. Presently, the Board has only three active members, all from Maryland. They are appointed by the Governor to serve three-year terms.
