COASTAL RESOURCES DIVISION

Under the Tidewater Administration, the Division was reorganized in 1992 as the Coastal and Watershed Resources Division.

ENTERPRISE DEVELOPMENT

Discontinued in 1992.

FLOOD PLAIN MANAGEMENT DIVISION

Formerly under the Water and Mineral Management Program of the Water Resources Administration, the Division was combined in 1992 with the Nontidal Wetlands Division to form the Nontidal Wetlands and Waterways Division.

FOREST, PARK & WILDLIFE SERVICE

In 1992, functions of the Service were assigned to two agencies: the State Forest and Park Service; and the Fish, Heritage, and Wildlife Administration.

FORESTRY PROGRAMS

In 1993, renamed Forest Service.

HAZARDOUS WASTE FACILITIES SITING BOARD

Transferred to the Department of the Environment in 1993 (Chapter 149, Acts of 1993).

Reorganized in 1992 as Public Lands and Forestry.

STRIPED BASS ADVISORY BOARD

William Goldsborough, *Chairperson*

The Board completed its work in 1993.

SURFACE MINING DIVISION

Formerly under the Water and Wetlands Program of the Water Resources Administration, the Division was reorganized in 1992 as the Minerals, Oil and Gas Division and placed under the Bureau of Mines.

WATER & MINERAL MANAGEMENT PROGRAM

Under the Water Resources Administration, reorganized in 1993 as the Water and Wetlands Program.

WATERSHED & GROWTH MANAGEMENT DIVISION

Under the Tidewater Administration, the Watershed and Growth Management Division was formed by the Department in February 1991 to help protect and restore healthy stream and river ecosystems in every watershed of Maryland. The Division's purpose was to plan for, assess, and manage the effects of population increase and land and industrial development on the resources of the State. The Division worked through five programs: Targeted Watersheds; Citizen Involvement; Growth Management; Watershed Impact Evaluation; and Mapping and Data Analysis. In 1992, the Division merged with the Coastal Resources Division to form the Coastal and Watershed Resources Division.

WATERSHED MANAGEMENT DIVISION

Formerly under the Water and Mineral Management Program of the Water Resources Administration, the Division was renamed Flood Plain Management Division in 1992.

WETLANDS & WATERWAYS PROGRAM

Formerly under the Water Resources Administration, the Program was restructured in 1993 with divisions of the Program reorganized under the Water and Wetlands Program.

WICOMICO-ZEKIAH RIVER LOCAL ADVISORY BOARD

The Board completed its scenic river plan in March 1992.
