

## HOME DETENTION UNIT

Richard A. Sullivan, *Administrator*2100 Guilford Ave.  
Baltimore, MD 21212 (410) 333-2712

In 1990, the General Assembly authorized the Home Detention Program, which began in January 1991 (Chapter 414, Acts of 1990). The Program allows carefully selected inmates to serve the last part of their sentences in the community. Inmates are monitored by an electronic anklet, periodic telephone voice verification, and random visits by correctional staff. The Unit operates 24 hours a day, seven days per week, to enforce inmate compliance and provide rehabilitation services. The Program, which began with 40 inmates in Fiscal Year 1991, plans to encompass 1,000 inmates by the end of Fiscal Year 1994.

## CENTRAL LAUNDRY PRE-RELEASE UNIT

Marsha G. Maloff, *Manager*P.O. Box 395  
Sykesville, MD 21784 (410) 549-2402

The Central Laundry Facility was established in 1960 to serve the laundry needs of institutions under what is now the Department of Health and Mental Hygiene. Located at Springfield Hospital Center, the Unit also takes care of laundry for institutions of the Department of Public Safety and Correctional Services and the Department of Juvenile Services. The Unit is a minimum-security institution.

## SOUTHERN MARYLAND PRE-RELEASE UNIT

Ronald Drechsler, *Manager*Rte. 1, Box 159  
Charlotte Hall, MD 20622 (410) 974-2060

Southern Maryland Pre-Release Unit was dedicated in 1962. The Unit can house 180 male inmates. Approximately one-fourth of the men are employed in the community through a work-release program. Other inmates labor in work details for the Maryland State Police Barracks at Waldorf and Prince Frederick, the Natural Resources Police Force, the Charles County Department of Public Works, the State Highway Administration, and the Maryland Veterans Cemetery at Cheltenham.

## EASTERN PRE-RELEASE UNIT

Earl B. Runde, *Manager*P.O. Box 122  
Church Hill, MD 21623 (410) 758-1596

Eastern Pre-Release Unit opened in 1964 in Queen Anne's County. The Unit can house 180 male inmates in open-style dormitories. Educational, vocational, employment and release readiness programs are available to the prisoners as are recreational, religious and addictions programs.

## POPLAR HILL PRE-RELEASE UNIT

David L. Green, *Manager*P.O. Box 14  
Quantico, MD 21856 (410) 543-6615

Poplar Hill Pre-Release Unit was established in 1950. Originally, the Unit provided inmate labor to the highway departments of Wicomico, Dorchester, Somerset and Worcester counties. Now, inmates at Poplar Hill provide public services through contracts with the State Highway Administration, Deer's Head Center, the Department of Natural Resources, and local governments. In a renovated farm house on the premises, educational and employment readiness programs are conducted. Vocational programming is available through contract with the Somerset County Board of Education. Pre-release programming includes work release and family leave.

## STATE USE INDUSTRIES

Stephen M. Shiloh, *General Manager*920 Greenmount Ave.  
Baltimore, MD 21202 (410) 780-4050

State Use Industries was established under the Board of Correction in 1937 (Chapter 213, Acts of 1937). In 1970, the program was placed within the Division of Correction. The program was designed to provide essential work and training for prisoners and to produce needed goods for State government with inmate labor.

At a cost that does not exceed the prevailing average market price, State Use Industries supplies services and produces goods. These are needed and used by municipal, county, State and federal institutions or agencies and those of other states. They also are available to any charitable, civic, educational, fraternal or religious association, institution, or agency for its own use and not for resale to others within one year of purchase (Code 1957, Art. 27, secs. 680-681M).

## STATE USE INDUSTRIES ADVISORY COMMITTEE

Gerald J. Curran, *Chairperson**Executive Secretary:* Stephen M. Shiloh, General Manager, State Use Industries

(410) 780-4050

The State Use Industries Advisory Committee was formed in 1981 (Chapter 661, Acts of 1981). The Committee recommends the establishment and maintenance of industrial plants and service centers within the Division of Correction to implement State Use Industries programs. Operated primarily with inmates, sites are run in a manner that benefits the State and provides training for inmates.

The Committee has fifteen members. Eleven serve ex officio. Four representing private industry are appointed by the Governor for three-year terms. The General Manager of State Use Industries serves as executive secretary (Code 1957, Art. 27, sec. 681A).
