At the University of Maryland College Park (UMCP), instruction in almost every discipline is offered to over 32,000 undergraduate and graduate students. The College Park campus holds the Colleges of Agriculture; Arts and Humanities; Behavioral and Social Sciences; Business and Management; Computer, Mathematical and Physical Sciences; Education; Engineering; Health and Human Performance; Journalism; Library and Information Services; Life Sciences; and the Schools of Architecture and Public Affairs.

Under the College of Agriculture, the Agricultural Experiment Station and the Cooperative Extension Service are centered at College Park. Among many other research and public service units on campus are the Sea Grant College, Maryland Fire and Rescue Institute, Center on Aging, Survey Research Center, Engineering Research Center, Transportation Technology Center, Water Resources Research Center, Institute for Applied Agriculture, and Urban Studies and Planning Program.
