*Annual Report to Governor due April 1.*

---

The Governor's Commission on Enhancing Public Services through Improved Interagency Cooperation was formed in December 1993 by the Governor (Executive Orders 01.01.1993.34; 01.01.1994.08). The Commission is to review laws, regulations, policies, and procedures to determine how the Department of Budget and Fiscal Planning might contribute more directly to the programs and objectives of State government agencies. The Commission also will consider ways to streamline the budget process of State government and simplify the Department's review and approval of agency position control, procurement, budget amendments, and other transactions. In addition, the Commission will seek ways to improve interagency communication concerning budgetary, fiscal and other matters.

The Governor originally appointed the State Fleet Safety Committee in 1971 to establish a safety program for State employees who drive State and private motor vehicles on official State business. The Governor reauthorized the Committee in 1985 (Executive Order 01.01.1985.21).

The Committee advises the Governor, through the Secretary of Budget and Fiscal Planning, on the safe operation and maintenance of the State's motor vehicle fleet. This advisory role includes recommending changes in rules and regulations for use of State agency motor vehicles. The Committee also develops accident prevention plans and driver improvement programs.
