

and regulations now in force relating to the uses of said Institution.

*And be it further resolved,* That the state reserves to itself the authority at all times to pass such laws as may be deemed proper for the wholesome regulation of said Institution; *provided, nevertheless,* the power is hereby reserved to the state at any time to resume the possession of said property, upon paying to the city of Baltimore, such sum of money as may hereafter be expended by her in the improvement and furnishing said hospital and lots.

No. 95.

Passed Mar. 15, 1834 Resolution requiring the Visitors and Governors of Saint John's College to be made the depository of the results of all scientific researches by the Geologist, &c.

WHEREAS, it is highly interesting for the diffusion of information that the Visitors and Governors of Saint John's College, should be made the depository of the results of all scientific researches, that may be instituted at the instance or under the patronage of the state—Therefore,

*Resolved by the General Assembly of Maryland,* That it shall be the duty of the Geologist to report to the Visitor's of Saint John's College, the result of any and every analysis, that he may be required to make under the fourth section of an act entitled, an act to provide for making a new complete map and geological survey of this state, passed at the present session, and to accompany the same with specimens of the several mineral substances or soils, so analyzed, and that he shall further deposit in like manner any geological specimen that may be discovered in the execution of the duties assigned by said act, which he may consider worthy of preservation, and the said Visitors and Governors are hereby required to have all reports made as aforesaid, recorded in a book to be provided for that object; and the several mineral substances or soils so analysed or discovered, to be carefully preserved in such place or way as to them may seem best.

*And be it further resolved,* That the Geologist be, and he is hereby required to set a part for and furnish also to the other colleges of this state, all such geological specimens as it may be practicable for him to furnish after appropriating to Saint John's College the specimens mentioned in the foregoing resolution.
