

**CHAP. 287.**

Authority to increase the capital.

Sec. 13. *And be it enacted*, That if the capital stock of the said company shall be deemed insufficient for the purposes of this act; and it shall and may be lawful for the president and directors of said company, or a majority of them, from time to time, to increase the said capital stock by the addition of as many shares as they may deem necessary, not exceeding one thousand shares, for which they may, at their option, cause subscriptions to be received, giving notice as aforesaid, or dispose of them, by sale, as hereinbefore prescribed.

Authority to construct rail ways.

Dimension.

Direction.

Sec. 14. *And be it enacted*, That the said president and directors shall have power to lay off and construct a rail road, not exceeding sixty-six feet in width, with two or more sets of tracts, from Port Deposit, in Cecil county, to the Pennsylvania line, over the ridge dividing the waters of the Susquehanna and the Delaware rivers, in a direction towards the Great Valley, in Chester county, in the State of Pennsylvania; and for the purpose of laying off and constructing the said road, they shall have all the powers and privileges, and be subject to all the restrictions and liabilities hereinafter described; and they may take the route which to them, or a majority them, may seem most suitable and proper.

Authority to repair the same.

Make lateral.

Contracts authorized.

Use of land and material granted.

Sec. 15. *And be it enacted*, That the president and directors of the said company shall be, and they are hereby invested with all the rights and powers necessary for the repair of the said rail road; and also with power to decide on as many lateral ways to and from the main stem of the rail road hereby intended, at some suitable point or points thereof, to be by them determined, not exceeding sixty-six feet wide, with as many sets of tracts as the said president and directors may deem necessary; and they may cause to be made, or contract with others, for making said rail road, or any part of it, or of the said lateral rail roads; and they, their agents, or those with whom they may contract for making any part of the same; or their agents, after the purchase and condemnation thereof, in the manner hereinafter prescribed, may enter upon, and use, and excavate, any land which may be wanted for the site of said road, or the erection of warehouses, for other works necessary to the said road, or for any other purpose necessary or useful for the construction or repair of said road or its works; and that they may build bridges, fix scales and weights, lays rails, and may take and use any earth, timber, gravel, stone, or other materials, which may be wanted for the construction or repair of any part of said road, or any of its works, and may make and construct all works whatsoever, which may
