

REPORT

— OF THE—

Comptroller of the Treasury

—OF THE—

STATE OF MARYLAND.

COMPTROLLER'S OFFICE,
TREASURY DEPARTMENT,
Annapolis, Md., Jan 5th, 1886. }

To the Honorable the General Assembly of Maryland:

I respectfully submit my Report of the financial condition of the State, giving in detail the operations of the Treasury Department for the fiscal year ending on the 30th day of September, 1885.

RECEIPTS.

The total receipts into the Treasury, from all sources, during the fiscal year amounted to \$2,112,405.61, and the balance in the Treasury September 30th, 884, was \$837,088.39, making the total amount in the Treasury during the fiscal year to be the sum of \$2,949,494.00.

It is gratifying to note that notwithstanding business has been during the past year generally dull, the receipts into the Treasury have kept up, showing an increase of \$79,325.68 when compared with the receipts of the year ending 30th September, 1884, and an increase of \$135,653.10 when compared with the average receipts of the five years immediately preceding the last-mentioned year, and if you deduct from the receipts of those five years items which are no longer sources of revenue to the State, we have an increase of \$236,211.70 in favor of the year just closed.
