REPORT

—OF THE—

COMPTROLLER OF THE TREASURY

Of the State of Maryland.

COMPTROLLER'S OFFICE,
Treasury Department,

ANNAPOLIS, MD., January 5, 1892.

To the Honorable,

The General Assembly of Maryland:

I respectfully submit to you my report of the condition and of the operations of the Treasury Department for the fiscal year ended September 30, 1891, as required by Article 19, Section 9, of the Code of Public General Laws.

RECEIPTS.

The total revenue received into the Treasury during the fiscal year 1891 was \$2,827,568.29, and the balance in the Treasury September 30, 1890, was \$666,845.94, making the total amount in the Treasury during the fiscal year \$3,494,414.23.

The amount of receipts in the Treasury for 1891 is less than that for the year 1890 by \$3,033,036.65. This large decrease is mostly due to the sale of the bonds of the "Exchange Loan of 1889," which occurred during the fiscal year 1890.

The receipts in detail are given in "Statement A," appended to this report.

DISBURSEMENTS.

The total disbursements during the fiscal year 1891 were \$2,953,083.93, being less than the disbursements of the fiscal year 1890 by the sum of \$2,731,402.08. This
