

1904, art. 99, sec. 45. 1896, ch. 293, sec. 11.

54. In case of judgment and order of sale, as specified in section 53, and in absence of appeal and the filing of a proper bond, as provided by said section, then said constable shall at once post two notices, one at the justice's door and the other at the place of sale, specifying in each notice the time and place of sale, not less than five hours from the hour at which the judgment was rendered, and also a description of the game or fish to be sold; and place of sale shall be at the most public place obtainable for the purpose. Said constable shall, at the time and place mentioned in said notice, sell such game or fish at public auction to the highest bidders for cash, and at once pay the proceeds of such sale to the justice; said constable shall give the purchaser a certificate of purchase in which shall be a particular description of the game or fish sold, together with the date of sale.

Ibid. sec. 46. 1896, ch. 293, sec. 12.

55. If there has been no appeal, or if the judgment of the justice is affirmed on appeal, the said justice shall deduct his costs, if not already paid, together with the constable's costs, which shall include a fee of ten per centum of the amount of the proceeds of the sale for his services as auctioneer, and shall distribute the balance of such proceeds of sale or the ascertained value of the game or fish seized as secured by the bond, as follows: One-half shall be paid to the game warden, which shall be kept by him for his services, and one-half shall be paid into the county or city treasury for the benefit of the school fund.

Ibid. sec. 47. 1896, ch. 293, sec. 13.

56. The game warden and the deputy game wardens shall not be liable for any damage or costs sustained by any person or corporation by reason of the wrongful seizure of game or fish under this sub-title; provided, however, that the enforcement of this sub-title shall in no wise prevent prosecution of persons or corporations for violations of the game or fish laws of this State.

Ibid. sec. 48. 1896, ch. 293, sec. 14.

57. Whenever the game warden shall require the assistance of the state fishery force he shall so advise the governor who, acting for the board of public works shall, if he approve the request of the game warden, instruct the commander of the state fishery force to forthwith assist the game warden in the enforcement of the game and fish laws of the State. And whenever the game warden or the deputy game wardens shall require the advice and assistance of the state's attorney and sheriffs of the several counties of the State or of Baltimore city, it shall be the duty of said officers to render the required assistance as in other state cases.

See sec. 6.
