Each of the statements shall be enclosed in an envelope which shall then be securely sealed with sealing wax or other adhesive material, and each of the judges and clerks shall write his name across the fold of the envelope. One of the envelopes shall be directed to the clerk of the circuit court of the county, or the superior court of Baltimore city, as the case may be, and one to the county commissioners or to the mayor of the city of Baltimore, as the case may be. Each set of tallies shall also be signed by the election clerks and the judges of election, and each shall be enclosed in an envelope securely signed and sealed as aforesaid, one of which shall be addressed to the board of supervisors of election and the other to the register of wills. If any judge or clerk shall decline to sign said set of tallies, or either of them, he shall state his reason therefor in writing, and a copy thereof, signed by himself, shall be enclosed with each tally sheet. On the outside of every envelope shall be endorsed the statement that it contains the votes cast or the tallies, and for what precinct, ward, city or county.

Where there are four judges and two clerks and the return is signed by only one judge and one clerk, the others stating their reasons for not signing, the ballots may be counted in a proceeding to determine the result of the election. *Coulehan v. White*, 95 Md. 704.

Said strip of paper shall then be pasted over the keyhole of said ballot-box and over the slit in the lid, in such manner that the signatures shall extend across the place of the opening of the lid, and so that when the box is opened it will tear the paper and destroy the signatures, and so that when the key is inserted in the keyhole it will tear the paper so pasted over the keyhole.
