

fails or refuses to give such notice he shall be fined not less than ten dollars nor more than one hundred dollars.

1904, art. 43, sec. 52. 1898, ch. 436, sec. 34C. 1916, ch. 243.

**65.** The health officers of cities, towns, counties and districts shall keep record of all reports and notifications received in pursuance of Sections 63 and 64, and such record shall contain the names of all persons who are sick with infectious or contagious diseases, the localities in which they live, the disease with which they are affected, together with the date of such reports, the names of persons reporting any such cases, and the record of quarantine, isolation, disinfection and other preventive measures. The Board of Health shall give the school boards of health of their respective counties, cities, or towns immediate information of cases of infectious or contagious diseases reported to them according to this sub-title. The State Board of Health shall prepare and furnish to all local health officers printed forms for the recording and preservation of information required by Sections 64 to 66.

1904, art. 43, sec. 53. 1898, ch. 436, sec. 34D. 1916, ch. 243.

**66.** Whenever any health officer of city, town, county or district shall be notified of the occurrence of a case of smallpox, diphtheria, scarlet fever, typhoid fever, yellow fever, malarial fever, or any other contagious or infectious disease, within his sanitary jurisdiction, he shall take immediate steps to prevent the spread of the disease. He shall give notice in writing to the school authorities of any contagious or infectious disease affecting school children, or likely to endanger the health of school children. He shall within twenty-four hours transmit to the State Board of Health such information as he has obtained concerning every case of infectious or contagious disease which has come to his knowledge. It shall be his duty to cooperate with the State Board of Health in the enforcement of sections 64 to 66 within his jurisdiction. The State Board of Health shall prepare and distribute to all local health officers, the printed forms necessary to carry out the provisions of sections 64 to 66.

#### **Tuberculosis.**

1904, art. 43, sec. 67. 1890, ch. 622, sec. 2. 1916, ch. 242, sec. 94.

**94.** Whenever any hotel keeper, keeper of a boarding house, lodging house, superintendent, manager or director of a hospital or private or public institution of any kind shall know or shall have reason to believe that any guest, inmate, or other person in the hotel, boarding house, lodging house, or institution of which he or she may have control or supervision, or on the premises thereof, is sick with or convalescing from smallpox, cholera, yellow fever, typhus or typhoid fever, scarlet fever, leprosy or any other contagious or infectious disease, the said owner, proprietor, manager, or other person having charge shall immediately give notice thereof in writing to the health officer of the city, town
