

BRIDGE AT KIFER.

1924, ch. 307, sec. 1.

47. The Board of County Commissioners of Allegany County are hereby empowered, if they deem it necessary or advisable, to borrow the sum of forty thousand (\$40,000) dollars at a rate of interest not exceeding five per cent. per annum for a term of years not exceeding four (4) years from the time such money shall be so borrowed and to use the same or such part as may be required, as hereinafter provided for the erection of a bridge across the Potomac River at a point near Kifer, Maryland, and Paw Paw, West Virginia.

1924, ch. 307, sec. 2.

48. In the event said Board of County Commissioners shall deem it necessary or advisable to borrow said sum of money for said purposes, the said Board of County Commissioners shall thereafter in each and every year until the same is paid retain from such amount of money as may be appropriated for the use of the Board of Road Directors of said county, the sum of ten thousand (\$10,000) dollars and the further sum necessary for the payment of interest on any unpaid balance and to apply the same to the payment of said indebtedness until the entire amount is liquidated.

1924, ch. 307, sec. 3.

49. The power hereby granted shall only be used in the event that a contract shall be entered into between the Board of Road Directors of Allegany County and the State Roads Commission of the State of Maryland with the proper legal authorities of the State of West Virginia whereby it shall be mutually agreed that the proper legal authorities of the State of West Virginia shall pay, bear and expend an equal and like amount of money for the erection of said bridge and in such contract and shall agree for the payment of one-half of all monies hereafter necessary for the maintenance of said bridge.

1924, ch. 307, sec. 4.

50. Such bridge and its approaches shall only be built under specifications approved by the State Roads Commission of the State of Maryland and that no amount of the money hereby authorized to be spent for bridge purposes shall be expended for any other purpose than the actual cost of said bridge and its approaches and that the State Roads Commission of the State of Maryland shall supervise the erection of such bridge and its approaches and shall not charge any part of its expenses as against the said fund hereby authorized, and in the event the said State Roads Commission shall refuse to enter into an agreement with the County Commissioners of Allegany County and the Board of Road Directors of Allegany County to supervise the erection of such bridge and its approaches as set forth herein, or in the event said proper legal authorities of the State of West Virginia shall refuse to enter into such agreements for the erection and maintenance
