

ever, purchase the necessary pipe, valves, or such like equipment as in their discretion they deem it advisable, and may advertise, as aforesaid, for bids for the construction, alteration and extension of any other units, in part or as a whole, using such equipment as in their judgment may be deemed advisable. All such contracts may be protected by such bonds, penalties and conditions as the Commissioners of Delmar shall require, all of which shall be enforceable in any Court having jurisdiction.

1927, ch. 16, sec. 4.

55. Said Commissioners of Delmar shall provide for each and every property abutting upon a street or right of way in which, under this Act, a sanitary sewer is laid, a sewer connection which shall be extended, as required, from the sewer to the property line of the abutting lot, said connection to be constructed by and at the sole expense of said Commissioners of Delmar. When any sanitary sewer is declared by said Commissioners of Delmar complete and ready for the reception of sewage, every abutting property owner, after due notice, shall make connection of all toilets and waste drains, except rain leaders, with said sewer within a time prescribed by said Commissioners of Delmar. Where the aforesaid fixtures do not exist, or are of a nature which, in the judgment of the Commissioners of Delmar, is improper or inadequate, satisfactory equipment shall be installed. All cesspools, sink-drains and privies shall be abandoned and left in such a way that they cannot again be used or injuriously affect the public health, said disposition to be determined by the Commissioners of Delmar. Any violation of the provisions of this Section shall be a misdemeanor, punishable under Section 63 of this subtitle.

1927, ch. 16, sec. 5.

56. Before any sewer construction is done upon any private property within the corporate limits of the town of Delmar, the person, firm or corporation doing the same shall first obtain a permit from said Commissioners of Delmar, and pay therefor such reasonable sum as the Commissioners of Delmar may prescribe. Such work shall be done under and pursuant to such rules, regulations and requirements as the Commissioners of Delmar may, from time to time, formulate, and subject to such inspection as may be deemed necessary. No connection of any kind shall be made with any sewer constructed or maintained by said Commissioners of Delmar without a permit, and under such conditions as said Commissioners of Delmar may authorize. Said Commissioners of Delmar shall have the right of entry at reasonable hours to all buildings and premises having any connection with the sewerage system under its jurisdiction, and may order and require such changes in all sewer connections as they may deem necessary to eliminate improper use of sewers. No private or semi-public sewerage installation intended for the use of two or more buildings or premises shall be constructed in said town of Delmar without the person, firm or corporation doing the work having first obtained a permit from said Commissioners of Delmar and paid a reasonable charge therefor,
