The appropriations herein made are to be disbursed by the Treasury Department in accordance with Section 8 of Article 88A of the Annotated Code of Maryland, 1943 Supplement. The power in the State Board of Public Welfare to make rules and regulations, as provided in said Section 8 of Article 88A, shall include the power to establish rules and regulations requiring that State-aided hospitals and institutions submit their per day ward cost figures in accordance with specifications to be prepared by certified public accountants employed by the said Board, and the Board is hereby authorized to engage the services of a certified public accountant for this purpose. The sums hereby appropriated to each institution are the maximum sums for the respective periods named and each institution shall be entitled to receive only the actual per day ward cost figures for the patients cared for by them and in no event shall be entitled to receive more than Ten Dollars (\$10.00) per day per patient, from the amounts appropriated to them in the Budget and herein.

SEC. 3. *And be it further enacted,* That the Treasurer of the State shall, upon the warrant of the Comptroller, disburse the said sums of money herein appropriated for the objects and purposes herein specified, to or upon the order of the person or persons entitled to receive the same.
