

380E. Whenever it shall be deemed necessary by said Commission to take or acquire any land, structure or buildings, or any stream bed, waterway, water rights, or water-shed, either in fee or as an easement, within Allegany County, excepting property belonging to the State of Maryland or any political sub-division thereof and those properties of existing regularly incorporated municipalities, for the construction, extension or maintenance of any water main, sewer or appurtenance thereof, or any sewage treatment plant, reservoir, water treatment plant, storage tank or pumping station or for the execution by the Commission of any other power or function vested in it by this sub-title, said Commission may purchase the same from the owners, or failing to agree with the owner or owners thereof, may condemn the same by proceedings in the Circuit Court for the county in which said land, structure or buildings, stream bed, waterway, water rights or watershed is located, as are provided for condemnation of land by public service corporations in the Public General Laws of Maryland, now or hereafter in effect, and said Commission may likewise condemn the interest of any tenant, lessee or other person having any right or interest in said land, structures or buildings, stream bed, waterway, water rights or watershed.

380F. Said sanitary district shall consist of all the following part of Allegany County, Maryland, known as "LaVale", and more particularly described as follows (it being furthermore the intent of this sub-title to create as a sanitary district the present physical boundaries of Election District 29, Allegany County, Maryland) :

Beginning on the top of Will's Mountain 9/10 of a mile northeast of the two-mile post of the National Road, on the fourth line of District No. 5, and at the end of the first line of District No. 20, and running thence with the lines of District No. 20 due west one mile, crossing the Cumberland and Pennsylvania Railroad Bridge over Will's Creek above the paper mill to the Western Maryland Railroad, then up said Western Maryland Railroad about 5 miles to line of the crest of Piney Mountain, due south of Barrellsville, it being the easterly line of Mount Savage, District No. 13, then southerly 4 miles following the crest of said mountain and with Districts Nos. 13 and 24 to the National Road at the junction of the road leading to the tunnel in Eckhart Branch of the Cumberland and Pennsylvania Railroad, about $\frac{3}{4}$ of a mile west of the six-mile post, then with said road to the tunnel southwesterly 1-1/3 miles to the top of Dan's Mountain, marked 2,621 on topographical map of Maryland Geological Survey, and running thence along the top of said Dan's Mountain southwesterly 1-1/10 miles to the head of Warrior's Run and to the northwest corner of District No. 7, Rawlings; then
