On March 4, 1904, the Committee visited and inspected the Springfield State Hospital for the Insane.

In the party, in addition to the Committee and other Senators and Delegates, were

Hon. Gordon T. Atkinson, State Comptroller.  
 Hon. Frank Brown.  
 Hon. John Hubner.  
 Dr. Geo. J. Preston, Secretary State Lunacy Commission.  
 Dr. Stewart Paton.  
 Dr. Richard F. Gundry.  
 Hon. John G. Rogers.  
 Dr. C. F. Ralls, and  
 Messrs. D. B. Martin.  
 W. D. J. Morris.  
 C. Lowndes Bennett.  
 Spencer E. Sisco and  
 Edward S. Mobley.

Every department of the Hospital were visited and inspected. Springfield Hospital is one of the best, if not the best institution of its kind in the United States.

The open door treatment of patients has been continued to its full extent in the institution and no patient has been locked up and *all means of mechanical restraint are unknown.*

Tubercular cases are isolated in tents. The epileptic patients are separated from the other insane in isolated cottages.
