

c. A specific record of ten years or more of lawful practice in land surveying work of a character satisfactory to the Board and provided applicant is not less than thirty years of age.

#### Character.

No person shall be eligible for registration as a Professional Engineer, or Land Surveyor, or certification as an Engineer-in-Training, who is not of good character and reputation.

#### Teaching Credits.

In considering the qualifications of applicants, engineering teaching may be construed as engineering experience.

#### Education Credits.

The satisfactory completion of each year of an approved curriculum in engineering in a school or college approved by the Board as of satisfactory standing, without graduation, shall be considered as equivalent to a year of experience in Section 12(1)b and (2)b. Graduation in a curriculum other than engineering from a college or university of recognized standing may be considered as equivalent to two years of experience in Section 12(1)b and (2)b; provided, however, that no applicant shall receive credit for more than four years of experience because of under-graduate educational qualifications.

#### Work as Contractor.

The mere execution, as a contractor, of work designed by a professional engineer, or the supervision of the construction of such work as a foreman or superintendent shall not be deemed to be the practice of engineering.

#### Nonpracticing Applicants.

Any person having the necessary qualifications prescribed in this Act to entitle him to registration shall be eligible for such registration although he may not be practicing his profession at the time of making his application.

13. Applications and Registration Fees. Applications for registration shall be on forms prescribed and furnished by the Board, shall contain statements made under oath, showing the applicant's education and detailed summary of his technical work, and shall contain not less than five references, of whom three or more shall be engineers having personal knowledge of his engineering experience.

The registration fee for professional engineers shall be twenty-five dollars (\$25.00), fifteen dollars (\$15.00) of
