#### AIRPORT

##### HOUSE BILL 308

AN ACT to add a new section to Article 1A of the Annotated Code of Maryland (1939 Edition), title "Aeronautics", sub-title "Airports", to be known as Section 41A and to follow immediately after Section 41 of said Article, as amended by Chapter 956 of the Acts of 1945, relating to the establishment of airports in Prince George's County.

The General Law gives full authority and control over the establishment of airports to the Aviation Commission at the State level, and to the Civil Aeronautics Administration at the Federal level.

As a local measure, this bill sets a bad precedent for the orderly development of aviation, and will therefore be vetoed.
