

business shall require, and said board shall adopt such rules and regulations for the examinations of Master Electricians as herein defined, and for the placing, installing and operating electrical wires, appliances, apparatus or construction in, upon and about buildings in Calvert County, and when so adopted, such rules and regulations shall have the same force and effect as if herein contained, and the rules of said board shall also provide for the giving of timely notice of such meetings to all those who shall have made application for a license as herein provided.

143E. The term "Master Electrician," as used in this sub-title, shall be defined as and including any and all persons, firms and corporations engaged in business of, or holding themselves out to the public as engaged in the business of installing, erecting or repairing, or contracting to install, erect or repair electric wires or conductors, to be used for the transmission of electric current for electric light, heat, or power purposes, or mouldings, ducts, raceways or conduits for the reception or protection of such wires or conductors, or to any electrical machinery, apparatus, devices, or fixtures to be used for electric light, heat or power purposes. A license of "Master Electrician," issued and in accordance with the provisions of this sub-title, shall entitle any such person, firm or corporation so licensed to engage in the business of and to hold himself or itself out to the public as engaged in the business of installing, erecting and repairing and of contracting to install, erect and repair any electric wires or conductors, etc.; provided, however, that any electrician properly licensed under the laws of this State shall not have to take out such license to work in this county.

143F. Before any person, firm or corporation shall hereafter engage in the business of a Master Electrician in Calvert County, as defined in this sub-title, and before any person, firm or corporation now engaged in said business or any class thereof, shall continue in said business of Master Electrician, such person, firm, or corporation shall apply to said board for a license, as herein required, whereupon the applicant shall present himself before the said board at a time and place fixed by said board. If the board shall find, upon due examination, that the applicant presenting himself has a reasonable knowledge of electricity and the natural laws and functions of electric wires, appliances and devices for electric light, heat and power purposes, and is possessed of skill and of knowledge in all
