SEC. 3. *And be it further enacted,* That the Board of Election Supervisors of Montgomery County are directed, upon the verification of the signatures of such petition, to hold such special election within sixty (60) days from the filing of the petition, to print ballots and usual public notices and to generally conduct said election under the laws governing the conduct of general elections in Montgomery County, except that the Board of Election Supervisors shall only be required to give public advertisement as to the location of the polling place or places for two (2) weeks preceding the date of the election.

The Board of County Commissioners of Montgomery County are authorized and directed to pay the expenses of any and all such elections.

Any resident of Montgomery County who will be qualified to register under the general registration laws of the State to vote in the general election to be held in November, 1934, shall be registered on a supplemental registration book on the day of any such local option special elec-
