

1 give the subdivision full power of taxation without any
2 restrictions or would it be granted by the General Assembly?

3 THE CHAIRMAN: The General Assembly would grant
4 the power.

5 MR. DELLA: The reason I raise that question, I
6 think you are getting into a situation that would create a
7 lot of problems, if there weren't some limitation by the
8 General Assembly, because in my personal opinion, I think
9 the State should control all taxable programs.

10 THE CHAIRMAN: I think the intent/^{is} and the
11 language says the extent of the power to tax would be
12 governed by the General Assembly. Any further questions
13 with reference to the motion?

14 MR. MITCHELL: May I suggest an amendment to the
15 motion that the General Assembly may grant these authorities
16 the power to collect such taxes as may be authorized by the
17 General Assembly?

18 JUDGE ADKINS: I would accept that as a motion.

19 THE CHAIRMAN: Would you state it again?

20 MR. MITCHELL: The General Assembly may grant
21 these authorities power to collect such taxes as may be
