

1 machines or paper ballots as may now prevail in a
2 particular subdivision for this election.

3 MR. GENTRY: You are taken care of. If
4 the machines are tied up, current usage would be to go
5 to paper ballots.

6 THE CHAIRMAN: Any further discussion?

7 MRS. BOTHE: On second thought, I move that
8 the provisions in this Section 5 for a drawing for
9 position on the ballot be deleted and in their stead
10 the normal means of placing the names of candidates on
11 the ballot be employed, alphabetical order.

12 THE CHAIRMAN: Is there a second?

13 DR. BURDETTE: Second.

14 THE CHAIRMAN: Do you want to discuss
15 it further?

16 MRS. BOTHE: I really insist I am not
17 doing this for selfish reasons. I believe somebody said
18 I think it is true that the position of the name on the
19 ballot, maybe they ought to have women first or
20 something like that, the position of the name, the
21 alphabetical position is not necessarily the important
