

1 communication to the public.

2 THE CHAIRMAN: I don't think that is Dr.
3 Michener's point. I think his point is if you are
4 going to provide this much detail as to the sessions
5 of the Convention you should provide that the sessions
6 of the Convention be open to the public.

7 MR. SAYRE: I agree with that. I didn't
8 realize there was any real doubt about that. You mean
9 it would be a secret Convention from which the public
10 would be excluded?

11 DR. MICHENER: Could be.

12 MR. SCANLAN: I think you have to have some
13 faith in people. I can't imagine a Convention of this
14 state gathering in secret.

15 MR. SAYRE: It is not a matter of lack of
16 faith but explicit instruction. I think if we take
17 the language we put into the legislative department
18 article, which is also required, that accomplishes the
19 same purpose we want here.

20 MR. SCANLAN: If someone has language I am
21 amenable to listening to it.
