

Dr. Lynch, from the Committee on Federal Relations, made the following

REPORT :

The Committee on Federal Relations submit the following report, in relation to "a petition of sundry citizens of St. Mary's county, against precipitate action on the present crisis.

The committee think it inexpedient to make any report on special memorials in relation to Federal affairs, as it may become their duty to submit to the Senate a general report on this subject. As the aforesaid memorial is in the possession of the Senate, and addressed to both Houses of this General Assembly, and should, in the opinion of this committee, be presented to both bodies, we recommend that said memorial be sent to the House of Delegates for information.

We submit to your Honorable Body the aforesaid "petition," with this report.

A. A. LYNCH,
Chairman.

Which was read and concurred in.

The Senate adjourned.

MONDAY, May 6th, 1861.
