

VETOES

are to receive. This will be an interim measure until I can review and consider possible new legislation that addresses the broader issue affecting the private sector as well.

Accordingly, I am vetoing House Bill 1190.

Sincerely,
William Donald Schaefer
Governor

House Bill No. 1190

AN ACT concerning

Sediment Control – Regulation

FOR the purpose of defining a certain term; requiring that certain criteria be met before a person begins or performs construction; authorizing the Department of the Environment to ~~adopt certain fee schedules~~ impose certain charges on units of State government; clarifying the authority of the Department to approve and enforce sediment control activities of State and federal governments; and generally relating to sediment control enforcement.
