

WILLIAM DONALD SCHAEFER, Governor

- (2) Department of Personnel;
- (3) Department of Budget and Fiscal Planning;
- (4) Department of Transportation;
- (5) Department of Public Safety and Correctional Services; and
- (6) Department of Licensing and Regulations.

G. Each department, independent agency, or other designated unit of State government is required to designate or appoint a coordinator to assist in carrying out the intent of this Executive Order.

H. There is a Statewide Employee Risk Management Committee, comprised of designated coordinators of each department, independent agency, or unit of State government. This Committee shall interact with the Council and the Fund, and shall serve to further ensure compliance with the intent of this Executive Order.

I. All departments, independent agencies, or other designated units of State government shall annually conduct a Risk Assessment Survey ("RAS"), which shall include all facilities and worksites, as well as an identification and assessment of those jobs considered as having a high degree of risk or potential for occupational injury.

J. This Executive Order on managing occupational injuries in Maryland State government shall be interpreted and implemented consistent with the efforts of established State health and safety programs. Agency and department heads shall utilize existing management functions and programs to expand and improve their efficiency in managing risks within their respective units.

K. Each State department, independent agency, or designated unit of State Government shall develop written guidelines including policy and necessary rules and regulations covering specific program elements that are considered essential to standardize accident prevention and loss control programs.

L. This Order and resultant programs, policies, and procedures require the cooperation and support of all State employees as the State moves towards a healthy work environment.

EXECUTIVE ORDER OF SEPTEMBER 18, 1989

01.01.1989.16

Governor's Task Force on Self-Esteem

WHEREAS, Self-esteem is an essential building block in an individual's healthy growth and development; and

WHEREAS, The State of Maryland needs and encourages responsible and productive citizens who can contribute to the quality of life in our State; and
