
APPENDIX B

PRINTERS AND BOOKSELLERS OF
MARYLAND IMPRINTS, 1801-1810

The following table is designed not as a directory of the book trade of Maryland (which would duplicate Rollo G. Silver's currently appearing work on the Baltimore book trade), but simply as an index of printers and booksellers mentioned in the present volume, whether inside or outside of Maryland. All those mentioned worked in Baltimore unless otherwise stated. For items connected with each, see Index.

For birth and death dates, length of occupation in Maryland and elsewhere, and other information additional to that contained in the imprints themselves, I have drawn upon the following sources: Brigham, Minick, Brown, Silver, McKay, preliminary work on Baltimore directories done by Mr. Silver, and the printers' file of the American Antiquarian Society.

- Andrews, Ebenezer Turrell, 1779?-1827, bookseller (Boston)
1801-03. Thomas, Andrews & Butler.
- Backus, Eleazer Fitch, 1770-1859, publisher, bookseller (Albany), 1803-10.
- Barnes, Samuel, 1786?-1858, bookseller, publisher, 1807-10.
1809-10. Owned circulating library, sold Oct. 1810 to S. C. Leakin.
- Barnhill, ---- printer.
1801. M'Crea and Barnhill.
