After a year of many staff changes incident to the initiation of our Records Management Program, it is gratifying to report a return to the stability of the preceding several years. In General Administration, the change in name of the senior account clerk was only that. Miss Benning became Mrs. Tollevik in the course of the year. There was no change of any kind in the Archival Administration staff.

In Records Management, Mr. Rex Beach appears for the first time as head of the division. He assumed these duties, however, June 30, 1954; but since Mr. Johnson had held the position for almost the entire year, his name was given in the report. Mrs. Helen E. Stevens resigned June 30, 1954, after a year with us, to return to the federal service. She was succeeded on July 20, 1954, by Mrs. Anne B. Sindall, who resigned in turn on April 5, 1955, as she was expecting a child. This position was filled the next day by Mrs. Mary E. Martin. Miss Beryl E. Gardner, who had come to the Hall of Records in September 1948, resigned September 21, 1954. Miss Gardner had married in August, and she left to make her home on the West Coast. She was succeeded on October 11, 1954, by Mr. Thomas Wilds.
