

PROFESSIONAL ORGANIZATIONS AND ACTIVITIES

Dr. Radoff completed his term as Editorial Advisor of the *American Archivist*. Mr. Skordas continued as a member of the Council of the Society of American Archivists. Mr. Beach was reappointed to the Records Management Committee and both Mr. Beach and Mr. Skordas attended the annual meeting which was held October 6-10, 1964 in Austin, Texas. Mr. Skordas served on the panel of the meeting devoted to a study of Ernst Posners' book on American State Archives entitled "Development and Implementation of Archival Standards and the Posner Report." After this meeting, Mr. Skordas visited the Archives General of Mexico.

Connis Brown attended the Meeting of the National Microfilm Association in Cleveland May 11-13, 1965.

Mr. Beach and Mr. Straubinger attended the annual meeting of the Register of Wills Association at Ocean City July 16-18, 1964, and Mr. Straubinger and Mr. Brown attended a similar meeting of the Clerks of Court Association at the same place August 14-15, 1964.

Mr. Beach and Mr. Brown attended the annual meeting of the County Commissioners Association which was also held in Ocean City, on August 27-28. Mr. Beach spoke on the importance of record keeping to county government.

Dr. Radoff attended a meeting of the Baltimore Bibliophiles of which he is a founding member on February 12, at Evergreen House in Baltimore.

The Archivist attended several meetings of the Maryland Historical Trust of which he is a trustee.

Mr. Weatherly spoke to the St. Mary's County Historical Society with Mr. Bryden B. Hyde on "Annapolis" on February 20. On March 25 he spoke to the Talbot County Historical Society on Land Grants before 1707 and on May 3 he described the research facilities of the Hall of Records to the Harford County Historical Society.

Mr. White continued his valuable work on the State Coordinating Curriculum Committee of the State Department of Education, attending the annual meeting on November 25, 1964.

TEACHING AND LEARNING

The Fourteenth Institute of Genealogical Research of the American University spent the day of July 15, 1964 at the Hall of Records. It
