*West Virginia Civil War Literature: An Annotated Bibliography.* By Charles Shetler, Morgantown, 1963.

This work was sent to the printer before the end of the fiscal year but it is not scheduled to appear before January 1967. Phebe Jacobsen of our staff is primarily responsible for this volume which contains a great deal more than the records. The history of the records of every meeting is preceded by the history of the meeting and the meeting house. It is profusely illustrated.
