

CHAP. 825.
Appropriation to be made.

experiment station, for the furtherance of the work of those institutions in their several departments, and also in order to make provisions whereby more of the people of Maryland may avail of the advantages of an agricultural and industrial education, and at the same time provide for the proper fulfillment of the compacts made by this State in accepting certain grants from the United States Congress to this State. The amounts which are hereby provided for shall be expended, respectively, according to the provisions of sections 1, 2, 3, 4, 5 and 6 of this Act.

SEC. 2. In order to provide dormitory accommodations for at least double the number of students as present facilities will accommodate, and to provide modern and sanitary kitchen and dining-room accommodations for students, and also to provide for a general assembly hall for chapel and other public functions, the sum of twenty-five thousand dollars (\$25,000) is hereby appropriated.

SEC. 3. To provide for the proper heating, ventilation and general renovation of the present dormitory building, the sum of three thousand dollars (\$3,000) is hereby appropriated.

SEC. 4. To provide for the enlargement of the mechanical building so as to release its overcrowded condition and also to make possible the instalment of new appliances, the sum of five thousand dollars (\$5,000) is hereby appropriated.

SEC. 5. In order to provide for the maintenance, repairs and insurance of the building of the experiment station, to provide for the printing of bulletins and making exhibits, showing the results of the work, and also to provide for the investigations on the tobacco crop, in meat production and in irrigation, an annual appropriation of five thousand dollars (\$5,000) is hereby provided for and made.

Warrant to be issued.

SEC. 6. The Comptroller be and he is hereby authorized to issue his warrant upon the Treasurer of the State for the several sums hereby appropriated, the same to be paid out of any funds not otherwise appropriated; that the said sum of moneys shall be payable to the Maryland Agricultural College and shall be expended under the direction of the board of trustees of said institution. And the first payment shall be made during the fiscal year ending September 1, 1902.

First lien on the property of the college.

SEC. 7. One-half of the amounts hereby appropriated for buildings shall constitute a first lien to the State of Maryland on the property of the Maryland Agricultural College, and this lien shall be secured by the mortgage, to be given by the said college in its corporate capacity, to this State; the said mortgage to run for the period of ten years, with interest at
