

CHAP. 53

How said
money shall
be disbursed

SEC. 2. *And be it enacted*, That the Treasurer of the State shall, on the warrant of the Comptroller, disburse said sums of money herein appropriated, for the objects and purposes herein specified, to or upon the order of the person or persons entitled to receive the same; and the said Comptroller shall issue such warrant upon vouchers drawn and signed by the secretary and countersigned by the chairman of the said Joint Special Committee.

SEC. 3. *And be it enacted*, That this Act shall take effect from the date of its passage.

Approved March 8, 1906.

CHAPTER 54.

AN ACT authorizing the County Commissioners for Anne Arundel county to erect and establish a free bridge over Tracey's creek, in the Eighth Election District for said county, and for the necessary roads leading to the same, for the convenience of public travel.

Authority
given to
erect and
establish a
free bridge.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the County Commissioners for Anne Arundel county be and they are hereby authorized, empowered and directed to cause to be built a substantial bridge, to be of the width of not less than sixteen feet, over and across Tracey's creek, in the Eighth Election District of said county, from the point on the west side of said creek to a point in the Great Swamp, to be located by the County Commissioners for Anne Arundel county, and the said County Commissioners are hereby authorized and empowered to acquire by inquisition, purchase, or otherwise, all the lands and materials necessary for the construction of the said bridge and abutments, and for all necessary and suitable roads leading to and from the same, for the convenience of public travel, and said bridge, when built, shall be maintained and kept in proper repair by the County Commissioners as a free bridge.

Bridge to be
provided
with a suit-
able draw-
bridge.

SEC. 2. *And be it enacted*, That the said County Commissioners, in said bridge to be built, shall have said bridge provided with a suitable drawbridge over the navigable part of said creek, of not less than twenty-five feet, in order for safe and secure passing and re-passing of vessels navigating the same.
