#### CHAPTER 117.

AN ACT to provide for the building, grading and construction of certain streets and roads within the limits of the town of Easton, and to provide for the issuing of coupon bonds to defray the expenses incident thereto.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That the Mayor and Council of Easton be and they are hereby authorized and empowered to build, grade and construct of materials as shall be decided upon by the Commission hereinafter named, Washington street from Bay street to Brookletts avenue; Dover street from West street to West avenue; Federal street from West street to Washington street; Goldsborough street from Washington street to West avenue; and that said streets shall be built and constructed from curb to curb, as aforesaid, in accordance with the survey and grade recently established by ordinances No. 15 and No. 43 of the Mayor and Council of Easton, unless otherwise directed by the said Mayor and Council, or shall be ordered by the court; and any moneys remaining out of the proceeds of the bonds herein after provided for shall be used to construct a permanent street or road bed on Aurora street from the southern town limits, running from thence north as far as said funds will permit; provided, however, that the section (Dover street from West street to Washington street) shall be construed to mean both sides of the Market House Square, and that no paving shall be done unless all that is contemplated by this bill may be laid within the sum authorized by this Act.

SEC. 2. *And be it enacted*, That for the purpose of paying for said street construction the Mayor and Council of Easton are hereby authorized and directed to borrow, on the faith and credit of the town of Easton, and not exceeding the sum of
