

D. S. POPE & NEEDLES,

House & Sign Painters & Glaziers,

No. 47. South, near Pratt Street,

Are prepared to execute orders in the above line—and to furnish

COPPER STENCILS,

or letters cut in copper, for marking Barrels, Boxes, &c. and

Bent Glass for bulk-windows, show-cases, &c.

They have on hand an assortment of those

Splendid French Polished Plate Glass

of large sizes for store windows;

Glass Door Plates,

of various sizes, lettered to order, either

TRANSPARENT OR OPAQUE,

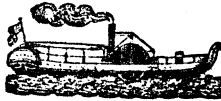

with Gold or Silver ground and Coloured letters or Transparent with Black letters; the latter kind shew the name very distinctly at night from the light of an ordinary passage lamp.

Enamelled Gilding, Lettering on Glass,

For Professional Cards or Signs... unsurpassed for beauty and durability by any other stile.

BLOCK LETTER AND ALL OTHER KINDS OF SIGNS

urnished at the shortest notice and in the best manner. Their former experience in

STEAMBOAT

PAINTING,

enables them to assure the public of entire satisfaction in the execution of orders in that line.

GLAZING,

all its variety, promptly attended to. In fine by a strict attention to every department of their business, they will endeavour to merit public approbation.
