

BENJAMIN A. GREENE.

Benjamin A. Greene, registered pharmacist and manufacturing chemist, is the most experienced colored pharmacist in the state. His experience extends over a continuous period of fifteen years or more. Dr. Greene was also one of the first colored pharmacists to pass the examination of the present State Pharmacy Law, having passed both as assistant pharmacist and as pharmacist. Dr. Greene is at present head pharmacist at Fennell's Pharmacy, Baltimore's leading colored drug store. He is likewise actively interested in several drug manufacturing concerns in the city and state.

TRULY HATCHETT.

Baltimore's First Colored Notary Public.
