I would like to announce to the public that my prices are still the same and will make no advance in spite of the high cost of living and materials pertaining to the business.

THE CUT RATE FUNERAL DIRECTOR.

1303 Preastman St. Phone, Mad. 1084.

I have plenty of goods on hand, and my aim and object is to help the public in their struggle with this high cost. I have the name of giving the best shipping funerals at reasonable prices from Baltimore to Cape Charles. The high cost of living is helping others; my low cost of funerals to the public is helping my business. Limousines and other things pertaining to the business of my own are at your disposal at all times. That is one reason why I make no advance in prices.
