BOYKIN'S BI-WEEKLY

BABIES AND CHILDREN'S CLINIC

DR. WM. RUTHERFORD BOYKIN  
Specialist

DISEASES WOMEN, CHILDREN AND BABIES

1618 North Calhoun Street  
Baltimore, Md.

Dr. Wm. Rutherford Boykin, Specialist on Diseases of Women, Children and Babies, has won by his excellent ability, and most modern equipped office, the greatest respect and demand of all Baltimore and vicinity. We feel that too much cannot be said in praise of the Doctor, on account of his great sympathy for the poor, whom he treats without price.

Dr. Wm. Rutherford Boykin's 19 years of practice gives to the Women, Children and Babies specialist service in Baltimore that few cities can offer. His lucrative office practice necessitates a much larger office space, which he in the near future intends to provide.

Residence and Office, 1618 N. Calhoun street.
