

GUIDED SAFELY HOME

Out in the land of sky
There is a dazzling City built of Gold
Whose walls of Jasper lie
Four square beyond the stars that we behold
The risen Son of God.

No crown of thorns upon His brow is pressed
Nor marks of sorrow rod upon His once bruised back
He speaks of peace and rest to every struggling heart.

He bids us trust, and hope, and work and pray
To do in faith the part we have before us
in life's little day
And so in His great love we find our deepest
joy, our life, our all.
For He is there above to guide us home,
lest on the way we fall.
