VOTE FOR

DANIEL ELLISON

for CONGRESS

4th Congressional District

1. He sponsored the movement in Baltimore to clear slums and erect low cost houses for low income groups. Out of a total of \$23,000,000.00 authorized and expended, over \$12,000,000.00 has been appropriated for colored neighborhoods.
2. He is keen, alert, capable, sincere and honest in his convictions.
3. He is pledged to support the N.A.A.-C.P. in their anti-lynch bill.
4. He favors equalization of teachers' salaries and stands for equal rights under the law, regardless of racial differences.
5. He believes in Social Security Legislation, Old Age Pensions, Unemployment Insurance, Aid to Handicapped and General Public Relief.
6. His years of service in the City Council have given him wide experience in legislative and governmental management. Such experience is vital and indispensable in this period of National emergency.
