"The Communist Political Association is a non-party organization of Americans which, basing itself upon the working class, carries forward the traditions of Washington, Jefferson, Paine, Jackson and Lincoln, under the changed conditions of modern industrial society

"It is shaped by the needs of the nation at war . . . ; it recognizes that victory for the free peoples over fascism will open up new and more favorable conditions for progress; it looks to the family of free nations, led by the great coalition of democratic capitalist and socialist states, to inaugurate an era of world peace . . . and the liberation and equality of all peoples regardless of race, creed or color."

*(From the Preamble to the Constitution of the
Communist Political Association)*
