ment of Lamps, for all uses, *wholesale and retail.*

BRYSON GILL & CORRIE,
DENTISTS,
Bleeders, Cuppers, Leechers, &c.

HAVING PURCHASED MR. B. SWEET'S CELEBRATED PATENT

Sulphur Fume Bath,

Are prepared to administer its application at

NO. 52 SHARP STREET,

The medical faculty, and the public generally, who require an
accurate opinion of the process of fumigation, or to construct a sim-
ilar apparatus, are respectfully informed that the proprietors will be
pleased to render every assistance. They have also, at all times
permission to witness its operation.

The proprietors will also sell the right to construct and use similar
apparatus to any one in the state of Maryland who may require them
and will give all the necessary information.

A supply of European Leeches constantly on hand.

CUPPING AND LEECHING BY MRS. GILL.
