ENAMELED COTTAGE AND CHAMBER FURNITURE,

SUITED ALIKE TO THE MANSION, CHATEAU AND COTTAGE.

This work is not only exceedingly chaste and beautiful, but very substantial and durable; generally matched, (en suite;) finished in a great variety of shades and colors; highly ornamented with original and select patterns in gold and rich delicate tints, beautifully blended; and executed in a style throughout superior to any thing of the kind ever before offered to the public. It is admirably adapted to the southern climate, as the peculiar manner of finish renders it impervious to a damp atmosphere.
