

# GOOD MEDICINES!!

For Coughs, Colds, and other affections of the Throat and Lungs, use

## STABLER'S ANODYNE CHERRY EXPECTORANT.

For Diarrhœa and other diseases of the Bowels, use

## STABLER'S DIARRHŒA CORDIAL.

A FEW EXTRACTS FROM RECOMMENDATIONS RECEIVED.

DR. SAM'L B. MARTIN, of Baltimore, says: "I do not hesitate to recommend them." "They are both valuable compounds."

DR. W. H. BALTZELL, of Baltimore, writes: "In protracted diseases of lungs and bronchial membranes, I can safely say that this *Compound of Wild Cherry* will effect *more* good than *any* of the numerous preparations with which the country is inundated." Also, "Too much praise cannot be bestowed on your *Diarrhœa Cordial*," &c.

DR. JOHN ADDISON, of Baltimore, says of the *Expectorant*: "I have no hesitation in recommending it to the confidence and patronage of the public as a most valuable medicine," &c. And of the *Diarrhœa Cordial* he writes, "It gives me much pleasure to add my testimony to that of others in favor of its extraordinary efficacy in the cure of Diarrhœa and Summer Complaints of children and adults."

DR. R. A. PAYNE, of Richmond Co., Va., writes to us of the *Diarrhœa Cordial*, "I think it one of the most convenient and *efficient* combinations ever offered to our profession."

*Twenty-five* of the most respectable merchants, resident in *North Carolina, Virginia and Maryland*, say of both the *Expectorant* and *Diarrhœa Cordial*, that they have kept, sold and used these valuable medicines, and from their own experience, and that of their customers, do cheerfully recommend them for the public good, and that they have *never known* any remedies used to be so *efficient*, and to give such *entire satisfaction* to all, &c. &c.
