

ment, or into any private house, when in pursuit of his official duties. He shall carry out the instructions of the State Board of Health and shall make such investigations and reports as said State Board of Health may require. He shall, when required by the State Board of Health, inspect and report upon the sanitary conditions of streams and sources of public water supply, sewerage facilities, schools and schoolhouses, dairies, creameries, slaughter-houses, workshops and factories, and all places where offensive trades or industries are conducted in his district. He shall respond promptly when called upon for advice or assistance by any Board of Health or Health Officer within his jurisdiction, and it shall be his duty and he is hereby authorized to enforce any public health statute, or rule, or regulation of the State Board of Health, or of any Local Board of Health or Health Officer within his district, when such Local Board of Health or Health Officer neglects or refuses to enforce such statute, rule or regulation, after due notice by him or by the State Board of Health. He shall keep himself informed as to the work of each Local Health Officer within his district, and aid each Local Health Officer within his district in the performance of his duties, and particularly on the appearance of any communicable disease. He shall purchase samples of food and drugs for analysis when directed to do so by the State Health Officer; and promote an efficient registration of births and deaths within his district, and in addition he shall have and perform such other duties as are or may be imposed upon him by the State Board of Health or the State Health Officer.

SEC. 5-D. Whenever the State Health Officer or Deputy State Health Officer shall have assumed jurisdiction over any health condition in this State, the local health authorities shall assist the State Health Officer or his deputy in the performance of their duties.

SEC. 5-E. The State Board of Health shall have power to remove any deputy health officer from any sanitary district into any other sanitary district in this State, or in case of epidemics to locate any number of the Deputy State Health Officers in any one sanitary district in this State or in the City of Baltimore; and it shall have power to appoint such inspectors, nurses and agents to aid the Deputy State Health Officers, as it may deem necessary, and pay them a reasonable compensation for their service within the limits of this appropriation.

SEC. 5-F. For the purpose of carrying out the provisions of this Act, the sum of fifty thousand dollars annually, or as
