

CHAPTER 300.

AN ACT to authorize the State Roads Commission of Maryland and the United States Department of Agriculture, to construct a shell road from Trappe Mills, near Berlin, Maryland, to the south end of the Railway Farm, in Sinepuxent Neck, a distance of about seven miles, such shell road to follow the route of the present county road now used and already graded.

(Vetoed.)

CHAPTER 301.

AN ACT to repeal and re-enact with amendments Section 81Z of Article 25 of the Annotated Code of Maryland (Volume 3), title "County Commissioners," sub-title "Draining Lands," as the same was enacted by Section 26 of Chapter 656 of the Acts of the General Assembly of Maryland of 1912, so as to authorize Boards of Drainage Commissioners to issue bonds.

SECTION 1. *Be it enacted by the General Assembly of Maryland.* That Section 81Z of Article 25 of the Annotated Code of Maryland (Volume 3), title "County Commissioners," sub-title "Draining Lands," as the same was enacted by Section 26 of Chapter 656 of the Acts of the General Assembly of Maryland, be and the same is hereby repealed and re-enacted, so as to read as follows:

81Z. In the event that the United States Government makes provisions for loans to prosecute drainage and reclamation work, or provides for such work to be done in whole or in part, under the supervision of its officials, the drainage districts to be created under Sections 81A-81AA are empowered to avail themselves of such provisions at any time. Provided that in order to facilitate the carrying out of any co-operative construction plan which may be agreed to by the United States and any district organized under the provisions of the aforesaid sections, the Board of Drainage Commissioners of such district shall have the authority to issue the bonds of such district in such form and of such maturities as may be required by the United States, but no such contract or agreement between the district and the United States for such co-operative construction work shall be valid until a majority of the land owners of such district shall have given such contract their written approval. That it shall be the duty of the officials of this State to solicit the co-operation of the various bureaus of the United States Government in prosecuting drainage and the reclamation of agriculture lands.
